QUESTION 1

Write one paragraph about your dream holiday. Your paragraph needs to have around 100 words. Include the following points:

- Where would you like to go?
- Who do you want to go with?
- What are the activities that you would like to do there?
- Why did you choose that place as your dream holiday?
- How will you go there?
- How long will you stay there?

Up to students' creativity. As long as you include all of the points above, your answer can be accepted.

Example : My dream holiday would be a trip to Cameron Highlands with my family members or best friends. A great holiday should always be with great people. In Cameron Highlands, I would like to ride the cable car and go up high. Some places in Cameron Highlands also have recommended restaurants, stalls or food. I choose Cameron Highlands as my dream holiday destination because I've always enjoyed going to places where the temperature is cool. Besides, they have lots of fresh strawberries. I can always buy some strawberries dipped in chocolate to satisfy my cravings. I will go to Cameron Highlands by car and stay there for one whole week.

QUESTION 2

Read the text carefully and answer the questions. You may use a dictionary to help you.

Managing Money

Every teenager usually receives pocket money from their parents. In my family, our parents would give us RM 3.00 everyday before we go to school. I like to save up as much as I can, but my little brother loves to spend all of his money on extra food.

On a normal day, I would be able to save the whole amount of money and put it in my piggy bank. This is possible because our mother packs us our lunch from home every day. So, I did not need to buy any food at the canteen. However, on a warm day, I would spend RM 1.00 to buy a cold drink before cycling home. In one month, I would have around RM 60.00 in my piggy bank, just from my school allowances!

At home, I also like to make money by reading books or doing chores. For example, if I read a book and was able to fully understand it, my father would give me RM 5.00. I have loved reading books ever since I was a small child, so I have a lot of money from reading books too. When I wash my father's car or clean the toilet without being told to, my father would give me RM 3.00 if I did a great job.

I choose to save up my money because I have a dream. I want to buy a good house when I grow up so that my parents would not have to worry about me. I would even let my little brother to come live with me!
