

FORM 1

HOME SCHOOL EXERCISE

QUESTION 1

Write one short paragraph (around 80 words) to describe yourself. You need to include:

- Your full name
- Where you live
- How many siblings you have
- Your favourite food (and why)
- Your hobbies
- The activities you enjoy doing at home during the quarantine

Up to students' creativity. As long as you include all of the points above, your answer can be accepted.

Example : My name is Rozali bin Razali and I am 13 years old. I'm from Selangor, but I'm currently living in Kuala Terengganu. I grew up with five siblings. I am the oldest, so I have two little brothers and two little sisters. My favourite food is chicken. I love eating chicken no matter how it is cooked because chicken is always satisfying to eat and I feel happier when I eat it. My hobbies are reading books, watching movies and eating delicious food. The activities that I enjoy doing at home during the quarantine are helping my mother in the kitchen and teasing my younger siblings.

QUESTION 2

Read the text carefully and answer the questions that follows. This text is about **Ahmad's Favourite Celebration**. You may use a dictionary to help you.

Ahmad's Favourite Celebration

My favourite celebration out of all the fun ones is the celebration of 'Eidul Fitr. This celebration is celebrated by Muslims all over the world. Before celebrating 'Eidul Fitr, we need to fast for one month. That makes celebrating 'Eidul Fitr much more meaningful to me!

I like this celebration because all of my family members would gather at our grandparents' house the night before. We will break our fast together by having a small feast. After that, we would always have a family photography session before going to sleep.

On the day of 'Eidul Fitr, I enjoy the tradition where all of my siblings would sincerely ask for forgiveness from our mother and father. Some of my favourite things to do afterwards are to eat a lot of delicious meals and collect *duit raya*. At night, I will compare the amount of my *duit raya* with my siblings and cousins.

Celebrating 'Eidul Fitr has always been special for me. I hope that this year will bring us a merry 'Eidul Fitr too!
